PRINT | COPY | SCAN | FAX | ETHERNET | WIRELESS | PCL/PS

Multifunction

WorkForce Pro

Powered by

PRECISIONCORE[®]

A cost-effective, A3 multifunction printer to maximize workgroup productivity.

Powered by PrecisionCore[®] — the next generation of inkjet printing technology

Versatile media handling — prints up to 13" x 19"; up to 1830-sheet total paper capacity¹; features auto duplexing (print, copy, scan, fax) and auto media size detection

Fast print speeds — 24 ISO ppm (black), 24 ISO ppm (color)[†]

Built for the bottom line — up to 40 percent lower printing costs vs. color lasers²

Low intervention — print up to 7000 color pages without changing cartridges³

Duty cycle — up to 75,000 pages monthly⁴

Drivers and utilities — Universal printer driver; PCL⁵ and genuine Adobe[®] PostScript[®] 3™ support

Security features — PIN number certification for job release; user control access, printer and network settings via Web Config with printer's IP address; SSL/TLS security, IPsec

Built-in connectivity — includes Ethernet, USB, wireless b/g/n⁶ and Wi-Fi Direct^{®6}; easily print from tablets and smartphones⁷, including remote printing and access to Cloud

Enabled for remote printer data collection — compatible with MPS software solutions from PrintFleet[®], ECI (FMAudit[®]) and others

Designed for use exclusively with Epson[®] cartridges.*

† Black and color print speeds are measured in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. For more information, visit www.epson.com/printspeed | †† Maximum print speeds are measured with text patterns in Draft Mode on plain paper. Actual print times will vary based on system configuration, software, and page complexity. | ††† Black and color copy speeds are determined in accordance with ISO/IEC 29183. Actual copy times will vary based on system configuration and page complexity. For more information, visit www.epson.com/copyspeed | 1 With optional paper trays. | 2 Compared with A3 color laser printers priced at \$1999 (USD) or less as of November 2014. Calculation based on continuous printing with highest-capacity cartridges. Actual savings will vary based on print task and use conditions. | 3 748XXL Black cartridge prints about 10,000 ISO pages. 748XXL color cartridges print about 7000 ISO pages on average. Actual number of pages will vary. | 4 Monthly duty cycle up to 75,000 is the highest duty a user could expect in a month, based on near-constant operation of a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended duty of 5000 pages per month. | 5 Not all media types are supported for PCL printing. | 6 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | 7 Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect enabled printers and compatible devices and apps, visit www.epson.com/connect | 8 Scan to cloud requires an internet connection, a free Epson Connect account and a destination email address or cloud storage account. For a list of supported cloud services, visit www.epson.com/connect | 9 Only printing and scanning are supported under Windows Server OS. | 10 Some applications and/or functions may not be supported under Mac OS X. | 11 Based on ENERGY STAR TEC measurement methodology; 288 prints/day; actual electricity consumption may vary depending on printer use. For more information, see www.energystar.gov | 12 Replacement cartridge yields are based on ISO/IEC 24711 tests in Default Mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and printer maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see www.epson.com/cartridgeinfo | 13 Internet access is required to install OS X® drivers and software. | 14 Display permanence based on accelerated testing of prints displayed under glass in indoor display conditions; album permanence based on accelerated testing of prints in dark storage conditions. Actual print stability will vary according to media, printed image, display conditions, light intensity, temperature, humidity and atmospheric conditions. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or UV filter or properly store them. | 15 Compared to best-selling single and multifunction color laser printers priced at \$1999 (USD) or less as of November 2014. Actual power savings will vary by product model and usage. | 16 For convenient and reasonable recycling options, visit www.epson.com/recycle | 17 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.
